START LIVING THE ADVENTURE OF YES

“Every significant event in the Bible happened because someone said yes to God. Start living the adventure of yes today!”

SHELENE BRYAN

Shelene Bryan's career as a successful Hollywood producer took a dramatic shift when she said yes to a whole new life adventure. Shelene's relentless passion to care for children and families in need came to life in 2009 when she launched Skip1.org, a charity that brings food and clean water to impoverished children and families around the world. And now, Shelene is the best selling author of *Love, Skip, Jump: Start Living the Adventure of Yes*, where she turns her extraordinary speaking ability to the written word, encouraging us to take uncomfortable journeys and enjoy the rich adventures that await.

Love, Skip, Jump was released in May 2014, with a forward by Francis Chan. It has been endorsed by Seth Godin, Karen Kingsbury and Candace Cameron Bure, just to name a few. Shelene was named #4 of the top 15 authors to watch in 2014.

The idea is simple: instead of spending a few bucks on a latte, car wash, magazine, manicure or even lunch, SKIP IT!
